Women of Impact

ABOUT WOMEN OF IMPACT

Since its founding in 2017, Proyecto Pastoral at Dolores Mission's Women of Impact ceremony has recognized incredible women who embody leadership, resilience, and vision in all that they do across various fields.

The event raises essential funds to support women of all ages through Proyecto Pastoral's wide range of programs, empowering them to thrive, lead, and continue shaping the future of our neighborhood.

Our next Women of Impact ceremony will take place in early 2027.

ABOUT PROYECTO PASTORAL

Proyecto Pastoral is a social justice, community-building nonprofit working in the Boyle Heights neighborhood of Los Angeles. **Our mission is to empower the community of Boyle Heights through grassroots projects in education, leadership, and service.**

Annually, we reach over 8,000 children and families through our five core programs:

GUADALUPE HOMELESS PROJECT

We work with over 100 unhoused men and women annually, providing them with food, shelter, and case management to help participants transition to housing.

IMPACTO YOUTH DEVELOPMENT

We help youth reach their potential through after-school programming, academic case management, sports and recreation, and a neighborhood food distribution.

COMUNIDAD EN MOVIMIENTO

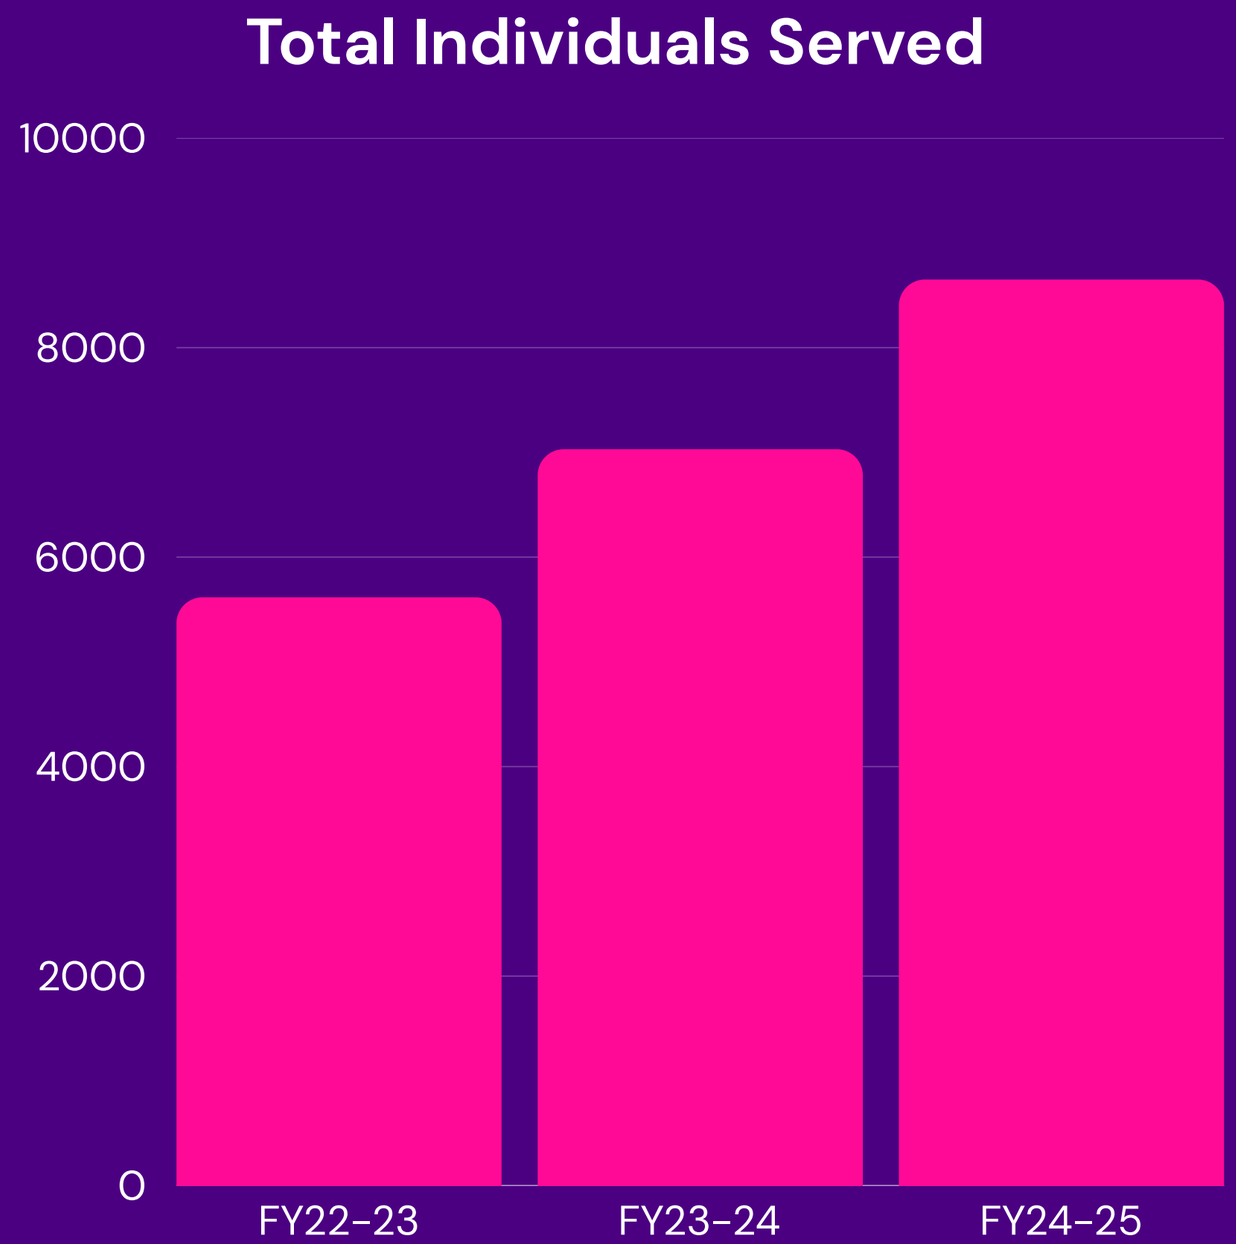
We work to mobilize and empower Boyle Heights residents to become influential leaders and advocates within their community, promoting safety, health, and engagement.

EARLY CHILDHOOD EDUCATION CENTERS

Across our two Early Childhood Education Centers, we provide a nurturing learning environment where children aged 18 months to five years old can learn, grow, and thrive.

PROMESA BOYLE HEIGHTS

Promesa seeks to build community leadership to advance systems change across five focus areas: early learning, education justice, immigration, postsecondary success, and wellness.



Proyecto Pastoral is committed to serving the changing and growing needs of our community.
