Special Remarks

About Us:

In the 1980s, Dolores Mission Church became a site of resistance out of which a **social justice movement** was born in Boyle Heights. Out of this movement, Projecto Pastoral was established **by community members** along with Father Greg Boyle in 1986. Over the last 35 years we have built **deep relationships** and **trust** in the community. Today we reach over 6,000 residents annually and continue to be **resident-led with 51% of our board being community residents.**

Our Impact:

Guadalupe Homeless Project

provides wraparound supports for 60 unhoused residents nightly.

Early Childhood Education Centers

provide a high quality pre-K education for 100 children & their families.

IMPACTO

youth program reaches 900 youth with after-school & summer programming, in-school supports & sports, plus 600 families through food distribution.

Comunidad En Movimiento

is Projecto's organizing and civic engagement arm that builds resident leadership.

Promesa Boyle Heights
